WHAT OUR CLIENTS SAY

Kelly- Fabulous treat for 20 hens xx

We booked 3 therapists for my daughter's hen weekend (20 hens). It was a fabulous treat and everyone loved it. The company was great from booking to the treatments on the day - very easy to organise and worked so well having them come to us.

Thank you - it made the weekend very special.

Bethan - Perfect for hen party pampering

We used the company to book treatments for a hen party, the therapist was punctual and got started straight away. She worked super hard on eight back to back clients. Everyone was pleased with their treatment and came out feeling refreshed. Lydia was great at communicating and responding to my numerous emails. Would definitely recommend. Thank you

Deb- Perfect Hen Party

We hired Love Pamper for our friends hen party.

The booking process was smooth, with Lydia staying in touch every step of the way. Abby and Flame came to our Airbnb, and gave all 10 of us treatments. It was fantastic.

Everyone enjoyed their afternoon of pampering.

Thank you!
